Skills

- Project management
- Team leadership
- Technical liaison
- Client relationship management

Education

Balochistan UET Khuzdar Khuzdar

Bachelor of Science: BE.
Computer Systems
Engineering
Merit GPA: 3.58 / 4.00
Jan 2022 – Jan 2025

- BE. [Computer Systems Engineering] Graduate
- BEEF Scholarship, Academic Achievement Award

Govt Boys Degree College Panjgur

Certificate of Higher
Education: Engineering
First Division GPA: Grade A
Jan 2020 – Jan 2021

Govt Boys High School Tasp

Panjgur
SSC: Science – First
Division (Grade A)
Jan 2019 – Jan 2020
Coursework: Physics,
Chemistry, Math

Summary

Computer Systems Engineering graduate with knowledge of computer systems, IoT, machine learning, and software development. Worked on a smart irrigation system that uses sensors and technology to automatically manage water for plants. Currently working as a graduate engineer trainee through PEC. Hardworking, quick to learn, and good at solving problems, working in a team, and learning new technologies.

Experience

Internship Trainer

Computer Systems Engineer | Quetta, Pakistan | Apr 2026 – Current

Final Year Project & Tech Implementations

- **Smart Irrigation System:** Led FYP team building rule-based ML & IoT for smart water management at BUETK.
- **Generative AI & LLMs:** Explored and built RAG-based applications, Hugging Face pipelines, and Groq/Llama model integrations.

Project Lead

Student | Khuzdar, Pakistan | Apr 2024 – Dec 2025

- Managed project team and coordinated contractor activities to execute deliverables under-budget and within strict deadlines.
- Monitored project progress, dynamically adjusting resource allocation to ensure milestone success.
- Led project scope development with comprehensive estimates, budgets, and operational schedules.

Projects & Accomplishments

- **Smart Irrigation System:** Rule-based ML and IoT system for precision water conservation and management at Balochistan UET Khuzdar.
- **Institutional Certification:** Awarded certification of engineering excellence from Balochistan University of Engineering and Technology Khuzdar (BUETK).
